

## What is Autism Awareness?

This training course will teach you how to better support people on the autistic spectrum. It will include elements of staff awareness, practical steps to support the individual and colleague in the working environment delivered with an interactive workshop with ample opportunity for questions and answers. After this course, you will have a better idea of how to support someone on the autistic spectrum at home, at work and beyond.

## The Aims

To understand and fully include people with autism.

### Who is this suitable for?

People and organisations who wish to understand how autism works, how to explain it to others and want to be as inclusive as possible when addressing the autistic spectrum.

### What will our work cover?

- Gain a better understanding of what the autistic spectrum is and how it affects someone.
- Learn better ways of including a person with autism
- Develop practical approach to inclusion

### What will it cost?

£995.00 + travel for a full day with up to 12 people  
£125.00 Individuals to take part in organised courses

### What do customers say?

"Brilliant to have an individual with the autism here to talk about direct experience"

"Fantastic work!"
