

## What is Learning Disability awareness?

This training course will teach you how to better support people with learning disabilities. It will include elements of staff awareness and practical steps to support the individual in the working environment delivered in an interactive workshop with ample opportunity for questions and answers. After this course, you will have a better idea of how to support someone with learning disabilities at home, at work and beyond.

## The Aims

To understand and fully include people with learning difficulties.

### Who is this suitable for?

People and organisations who wish to understand how learning disabilities work, how to explain it to others and want to be as inclusive as possible when addressing learning disabilities.

### What will our work cover?

- What a learning disability is and how it can affect a person
- How to include a person with learning disabilities
- How to support a person with learning disabilities in employment

### What will it cost?

£995.00 + travel for a full day with up to 12 people  
£125.00 Individuals to take part in organised courses

### What do customers say?

"Interesting – enjoyed labels exercise, sharing places and making choices."

**Lilian Smith** GCiL

"A big congratulations to all involved and good luck for future projects."

**Debbie Cattrey** Glasgow Royal Infirmary
